Analysis by the Legislative Reference Bureau

This bill prohibits a school district from being a member of an interscholastic athletic association unless the association elects to be governed by the state's public records and open meetings laws. An interscholastic athletic association that elects to be governed by the public records and open meetings laws is subject to those laws. Under the bill, an interscholastic athletic association can be either a nonprofit, unincorporated association or a nonstock, nonprofit corporation if the unincorporated association or corporation coordinates athletic events or contests for students enrolled in grades 9 to 12 in public schools. The bill includes exceptions for records of an interscholastic athletic association pertaining to individual referees or individual pupils.
