## 2025 SENATE BILL 8

January 24, 2025 - Introduced by Senators JACQUE and TOMCZYK, cosponsored by Representatives TITTL, PRONSCHINSKE, ANDERSON, BEHNKE, BILLINGS, DITTRICH, GOEBEN, KREIBICH, MIRESE, MURPHY, MURSAU, O'CONNOR, PRADO and WICHGERS. Referred to Committee on Transportation and Local Government.

AN ACT *to create* subchapter XI of chapter 218 [precedes 218.60] of the statutes; **relating to:** repair and replacement of implements of husbandry under warranty.

---

***Analysis by the Legislative Reference Bureau***

This bill creates requirements, commonly known as a “lemon law,” for the repair and replacement of an implement of husbandry that has a condition or defect (nonconformity) that substantially impairs the use, value, or safety of the implement of husbandry and that is covered by an express warranty.

Under the bill, if an implement of husbandry does not conform to an applicable express warranty, and the consumer reports the nonconformity to the manufacturer, the lessor, or any of the manufacturer’s authorized dealers and makes the implement of husbandry available for repair, the manufacturer, lessor, or authorized dealer must repair the nonconformity. If the same nonconformity has been subject to repair at least four times and the nonconformity continues, or if the implement of husbandry is out of service for an aggregate of at least 30 days because of warranty nonconformities, the consumer is entitled to a replacement implement of husbandry or a full refund.

**SENATE BILL 8**

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

**SECTION 1.** Subchapter XI of chapter 218 [precedes 218.60] of the statutes is created to read:

**CHAPTER 218****SUBCHAPTER XI****IMPLEMENTS OF HUSBANDRY**

**218.60 Repair and replacement of implements of husbandry under warranty.** (1) In this section:

(b) “Consumer” means any of the following:

1. The purchaser of a new implement of husbandry if the implement of husbandry was purchased from an authorized dealer for purposes other than resale.

2. A person to whom an implement of husbandry is transferred for purposes other than resale if the transfer occurs before the expiration of an express warranty applicable to the implement of husbandry that was extended when the implement of husbandry was new and first sold by an authorized dealer for purposes other than resale.

3. A person who may enforce an express warranty applicable to an implement

**SENATE BILL 8****SECTION 1**

of husbandry that was extended when the implement of husbandry was new and first sold by an authorized dealer for purposes other than resale.

4. A person who leases a new implement of husbandry from a lessor under a written lease.

(c) “Implement of husbandry” has the meaning given in s. 340.01 (24).

(d) “Nonconformity” means a condition or defect that substantially impairs the use, value, or safety of an implement of husbandry and that is covered by an express warranty applicable to the implement of husbandry or to a component of the implement of husbandry. “Nonconformity” does not include a condition or defect that is the result of abuse, neglect, failure to operate and maintain the implement of husbandry in accordance with the manufacturer’s operator’s manual and recommended maintenance schedule, or unauthorized modification or alteration of the implement of husbandry by a consumer.

(e) “Out of service” means that the implement of husbandry is unable to be used by the consumer either because of a nonconformity for which 2 or more unsuccessful attempts to repair have been made and the implement of husbandry has been returned to the consumer or remains with the consumer awaiting further repair attempts or because the implement of husbandry is in the possession of the manufacturer, lessor, or any of the manufacturer’s authorized dealers for the purpose of performing repairs to correct the same nonconformity.

(f) “Unsuccessful attempt to repair” means a repair attempt that does not correct the nonconformity for which the repair work is conducted and for which

**SENATE BILL 8****SECTION 1**

active repair work on the nonconformity stops and does not begin again within 24 hours of the previous repair work.

(2) If an implement of husbandry does not conform to an applicable express warranty, and the consumer reports the nonconformity to the manufacturer, the lessor, or any of the manufacturer's authorized dealers and makes the implement of husbandry available for repair before the expiration of the warranty or one year after first delivery of the implement of husbandry to a consumer, whichever is sooner, the manufacturer, lessor, or authorized dealer shall repair the nonconformity.

(3) If, before the expiration of the warranty or one year after first delivery of the implement of husbandry, whichever is earlier, a manufacturer, lessor, or authorized dealer attempts to repair a nonconformity not fewer than 4 times and the nonconformity is not repaired, or if an implement of husbandry is out of service for an aggregate of not less than 30 days, the consumer is entitled to a replacement or refund, and the manufacturer shall do one of the following as directed by the consumer:

(a) Accept return of the implement of husbandry and replace the implement of husbandry with a comparable new implement of husbandry and refund any collateral costs, to the extent that the manufacturer, lessor, or authorized dealer does not mitigate collateral costs.

(b) Accept return of the implement of husbandry and refund to the consumer and to any holder of a perfected security interest in the consumer's implement of husbandry, as their interest may appear, the full purchase price plus any sales tax,

finance charge, amount paid by the consumer at the point of sale, and collateral costs, less a reasonable allowance for use.

(c) If the implement of husbandry is leased, accept return of the implement of husbandry, refund to the lessor and to any holder of a perfected security interest in the implement of husbandry, as their interest may appear, the current value of the written lease, and refund to the consumer the amount the consumer paid under the written lease plus any sales tax and collateral costs, less a reasonable allowance for use.

(4) A consumer who elects to receive a refund under sub. (3) shall notify the manufacturer. Not later than 30 days after receiving notice from the consumer, the manufacturer shall provide the consumer with the refund. Upon receipt of the refund, the consumer shall return the implement of husbandry having the nonconformity to the manufacturer and provide the manufacturer with the certificate of title for the implement of husbandry or all endorsements necessary to transfer the title to the manufacturer. If another person is in possession of the certificate of title, that person shall, upon request of the consumer, provide the manufacturer with the certificate of title upon satisfaction of any security interest the person has in the implement of husbandry.

(5) A consumer who elects to receive a comparable new implement of husbandry under sub. (3) shall notify the manufacturer. Not later than 45 days after receiving notice from the consumer, the manufacturer shall provide either a comparable new implement of husbandry or, if a comparable new implement of husbandry does not exist or cannot be delivered within the 45-day period, a refund.

**SENATE BILL 8****SECTION 1**

Upon receipt of the new implement of husbandry or the refund, the consumer shall return the implement of husbandry having the nonconformity to the manufacturer.

(6) A manufacturer, lessor, or manufacturer's authorized dealer may not sell or lease any nonconforming implement of husbandry returned to the manufacturer by a consumer unless the manufacturer, lessor, or manufacturer's authorized dealer discloses the reasons the implement of husbandry was returned to any prospective buyer or lessee. If a manufacturer fails to disclose in writing at the time of transfer or sale to a dealer that a nonconforming implement of husbandry was returned to the manufacturer by a consumer, the manufacturer shall indemnify the dealer for all costs and expenses the dealer incurs as the result of the manufacturer's failure to disclose the nonconformity and shall be directly liable under this section to a consumer who purchases a nonconforming implement of husbandry without having received the disclosure required under this section.

(7) The department of revenue shall refund to a manufacturer any sales tax the manufacturer refunded to a consumer under sub. (3) if the manufacturer provides to the department of revenue a written request for a refund along with evidence that the sales tax was paid when the implement of husbandry was purchased and that the manufacturer refunded the sales tax to the consumer.

(8) This section does not limit rights or remedies available to a consumer under any other law.
